飯舘村を拠点に活動する東大むら塾飯舘部は 2023 年、「いいたて行政区ずかん」の作成や村内の道の駅の花壇管理、村の方をお招きしての交流などを行った。「いいたて行政区ずかん」は、飯舘村を構成する行政区を紹介しており、震災前後の記録を残すと共に、移住者向けに詳細な情報を載せたものとなっている。花壇の管理や夏のアカペラ大会では福島大学や慶應義塾大学の学生サークルとも連携するなど、他大学との交流も持った。

In 2023, Todai Murajuku, a student club at the University of Tokyo, created the "Itate Administrative District Guide," maintained the flower bed behind the roadside station, and invited residents of the village to an event to facilitate interacting with each other. The "Itate Administrative District Guide," introducing 10 administrative districts that make up Itate Village, recorded culture in each district before and after the Great East Japan

Earthquake Disaster and provided detailed information for those who will move to Iitate. The group has also had exchanges with other university students such as that at Fukushima University and Keio University.
